Birthday (YYYY-MM-DD):

Current school and grade:

Experience and Availability

1. Why do you want to intern at MoMath?

2. A. What is your overall high school G.P.A. or average grade?

   B. What is your G.P.A. or average grade for the Math classes you have completed so far?

   C. Have you completed high school Geometry? (If not, when do you expect to complete it?)

3. Please list any relevant volunteer or other experience.

4. MoMath's school year internship requires a commitment of one day (7 to 8 hours per week, generally 9:30 am to 5:00 pm on Saturdays or Sundays, and runs through June. What is your general availability on those days, and when can you begin? Please note that intern positions are unpaid.

Additional References and Resources

5. Please provide your school transcript and three teacher recommendation letters.

6. In a separate document, in approximately 150 to 500 words, please describe your views on mathematics or an experience that shaped your love of mathematics.

Please email this completed application, along with your transcript, recommendation letters, and statement on mathematics to students@momath.org. MoMath will be in touch shortly afterwards regarding the status of your application.

Thank you for your interest in the National Museum of Mathematics!
