Experience and Availability

1. Why do you want to intern at MoMath?

2. Please list any relevant volunteer or other experience.

3. MoMath's school year internship requires a commitment of one day (7 to 8 hours) per week, generally 9:30 am to 5:00 pm on Saturdays or Sundays, and runs from January through June. What is your general availability on those days, and when can you begin? Please note that intern positions are unpaid.

Additional References and Resources

4. Please provide your school transcript and three teacher recommendation letters. Feel free to share the initial invitation email with those filling out a recommendation.
5. In a separate document, in approximately 150 to 500 words, please describe an experience that shaped your love of mathematics.

Please return this completed application, along with your transcript, recommendation letters, and math essay to students@momath.org by December 24. MoMath will be in touch shortly after that date regarding the status of your application.

Thank you for your interest in the National Museum of Mathematics!
