College attending:

Telephone Number:

Email:

Year in school:

**Experience and Availability**

1. Why do you want to intern at MoMath?

2. A. What is your major?

B. What is your overall undergraduate G.P.A. or average grade?

C. What is your G.P.A. or average grade for the college-level (or higher) Mathematics classes you have completed so far?

D. Please list the Mathematics classes you have taken since starting your undergraduate studies.

3. Please list any relevant volunteer or other experience.

4. MoMath's college internship requires a commitment of eight to twelve weeks, and runs from June through August. What is your availability? Please note that intern positions are unpaid.

### **Additional References and Resources**

5. Please provide your transcript and three recommendation letters.
6. In a separate document, in approximately 150 to 500 words, please describe your views on mathematics or an experience that shaped your love of mathematics.

**Please return this completed application, along with your transcript, recommendation letters, and math essay to [students@momath.org](mailto:students@momath.org).** MoMath will be in touch shortly regarding the status of your application.

**Thank you for your interest in the National Museum of Mathematics!**
