to the U.S.

## August 7-9, 2022

Brought to you with the  
generous support of

**TWO SIGMA**

**THE  
GRADUATE  
CENTER**  
CITY UNIVERSITY  
OF NEW YORK

**MO MATH**  
NATIONAL MUSEUM OF MATHEMATICS

Join MoMath in New York City for its fifth conference on the Mathematics of Various Entertaining Subjects. The MOVES Conference will feature dozens of talks on current research in recreational mathematics, as well as a wide variety of family-accessible mathematical activities and events.

MOVES 2022 will feature “Playing with Puzzles: a presentation to honor the memory of Maki Kaji.”
