## Birthday Parties at MoMath

**Book a MoMath birthday party for your budding mathematician, and host a unique experience that your guests will remember all year long!**

MoMath offers several birthday party programs, including:

- **Multi-Morphing Megaplex:** Use the multi-morphing megaplex pieces to construct geometric shapes big enough to crawl through. *For the LEGO enthusiast!*
- **Let's Go O-GO:** Build a structure large enough to stand inside, using only mathematics and the tubes and rubber balls of the OGOBILD set. *For the engineer*
- **PolyPals Party:** For the littlest math enthusiasts, this party program is full of stories and songs about shapes, geometric dancing, and mathematical fun.
- **MoMath Team Challenge:** Your guests will race from exhibit to exhibit, solving puzzles and following hints to be the first team to finish this mathematical scavenger hunt.

Every MoMath birthday party includes:

- Admission to MoMath for the entire day
- Private room for 90 minutes (plus host-only 30 minutes to decorate / set up)
- Birthday cake that serves all child guests
- Goody bag for each child (MoMath logo gift bag with MoMath pen and pencil set)
- Dedicated party leader to greet child guests and oversee one math activity
- No catering restrictions — outside food and drinks allowed; self-service only

Available at additional charge:

- Pizza and drinks
- Specialty cake or cupcakes
- Larger MoMath gift bags
- Upgraded party favors (choose from *Additions*, the shop at MoMath)

Pricing for birthday parties:

- \$1,500 for up to 14 children, with self-service drinks, food, and cake (720sf)
- \$2,750 for up to 30 children, with self-service drinks, food, and cake (1,080sf)
- \$500 upgrade to cake service provided by MoMath staff
- \$45 party admission for each additional child (maximum: 36 children)
- One free adult party admission for each paying child (a \$26 value)

Become a member at the Membership Squared, Exponential, or Infinity level and receive a 10% discount on your basic birthday party package (excludes add-ons and upgrades).
