Step 1: Cut along the dotted blue lines.

Step 2: Thread a string about the length of your arm through the top hole.

Step 3: Close the loop, tying your string at both ends.

Step 4: Hang your creation. When it blows in the breeze, what do you see on each side?

Step 5: Email your creation to pie2ways@momath.org; MoMath may post some of the best submissions!

Step 6: Feel free to share your creation on social media using [#pie2ways](https://twitter.com/pie2ways)
